

DTOS Open House
Sunday, October 25, 2009 from 1 to 5 p.m.

This is a good time to introduce your family and friends to the Kimball. There will be light refreshments, a “cameo” concert, and a silent film. The Dickinson Kimball console is “open” for those who would like to play. Bring your music. Chamber, blower, and workroom tours can be arranged. There will be a question and answer session. This is an opportunity to get together for an afternoon of organ music and fun.
