

The Daytime Concert
April 6, 2010 at 10:00 am

Artist Wayne Zimmerman Appearing at the Console

The 30th annual Daytime Concert will be held on the Tuesday morning of Dickinson High School's spring vacation. The one and one half hour program, featuring the Dickinson Kimball, will include a silent comedy and an old-fashioned sing-a-long. This concert is designed for those who like organ music but do not travel at night -- although the program is open to everyone. The price is still \$1.00 at the door for a delightful hour of theatre organ music.
