

**The Daytime Concert**  
**April 26, 2011 at 10:00 a.m.**

**Artist John Terwilliger Appearing at the Console**

The 31<sup>st</sup> annual Daytime Concert will be held on the Tuesday morning following Easter, during Dickinson High School's spring vacation. The one hour program, featuring the Dickinson Kimball, will include songs you remember and an old-fashioned sing-a-long. This concert was designed for those who like organ music but do not travel at night -- although the program is open to everyone. The price is still \$1.00 at the door for a delightful hour of theatre organ music.
