

The Daytime Concert
April 10, 2012 at 10:00 am

Artist Don Kinnier Appearing at the Console

The 32nd annual Daytime Concert will be held on the Tuesday morning following Easter Sunday, which is the week of Dickinson High School's spring break. The one hour program, featuring the Dickinson Kimball, will include songs you remember and an old-fashioned sing-a-long plus a short silent film. This concert is designed for those who like organ music but do not travel at night, although the program is open to everyone. The price is still \$1.00 at the door for a delightful hour of theatre organ music.
