Saturday, September 16, 2023 1:00 PM OPEN HOUSE featuring IAN FRASER
FREE EVENT and CONCERT! Annual Open House featuring Open Console times and a mini-concert. Great opportunity to introduce a few of your friends to one of the largest instruments of its kind in the world!

At 16, after seeing a silent film at Chaminade High School, Ian had the chance to sit at the organ console and play the theatre organ for the first time. From there, he has followed his passion to become a theatre organist. Leveraging his ability to play by ear, Ian has taught himself in just a few short years to play the theatre organ. Ian is the house organist at the St. George Theatre in Staten Island playing pre-shows for their Classic Movie Series. He has also performed at Chaminade High School, the Bardavon Opera House, and the Loew's Jersey Theatre.
